October 2008

Dear Friend of the Newman Foundation of Northern Ohio and Newman Catholic Campus Ministry for the Diocese of Cleveland:

Newman Catholic Campus Ministry is growing in participation, activities and enthusiasm on our non-sectarian campuses within the Diocese. The start of the new school year and the hard work of the campus ministers have resulted in exciting faith opportunities for students and faculty. The campuses of the University of Akron, Ashland University, Baldwin Wallace College, Case Western Reserve University, Cleveland State University, Oberlin College and the College of Wooster are all off to an impressive beginning this year.

The Newman Foundation of Northern Ohio is proud to assist the Diocese of Cleveland in funding this ministry. The funds that we provide help students keep actively involved in their Catholic Faith. We give financial assistance to campus ministers and students for religious educational opportunities, retreats, music liturgy, spiritual direction, service projects, supplies and more. Our fall newsletter highlighted many of the above activities on each campus.

This year we have a special opportunity to raise additional funds for our foundation account. The Goudreau Family Charitable Lead Trust has generously offered \$10,000 as a challenge grant to raise matching gifts. Every contribution we receive between now and year end up to \$10,000 will be matched! It is a wonderful chance for us to grow our funds for ongoing support of NCCM.

Please help us fund this special Catholic presence on our campuses. The generosity of your gift will be even more effective this year due to the matching donation from the Goudreau family. It will benefit the students, campus ministers, the Universities and the Catholic Church for years to come.

Enclosed is a return envelope for your tax-deductible contribution.

God bless you for your generosity,

Frank P. Hackett, President
Newman Foundation of Northern Ohio
